## OUR WALKING TOUR WILL CHANGE HOW YOU VIEW PROVINCETOWN

This is the Benjamin Lancy mansion, with its simulated brownstone exterior, made from a secret process. It's on Commercial Street, right in the middle of town, but you have to know where to look for it.

In two hours' time, you'll learn lots of things about Provincetown you never knew before. Your \$20 tour fee also includes admission to the Pilgrim Monument and Provincetown Museum, where you can discover more about this little fishing village with a very big past.

Weather permitting, tours leave from the Pilgrim Monument every Wednesday at 9:30 AM. Advance reservations requested. Call (508) 487-1310 for reservations and additional information. **Please note that the tour includes visits to historic buildings that are not handicapped accessible. Tour content is not tailored to small children. Sorry, no dogs.**
