## Let it Shine!

The annual tradition of the lighting of the Monument is upon us. We have already begun receiving inquiries and contributions for this beloved event which celebrates the Pilgrims' first landing in America in Provincetown Harbor on November 11, 1620.

This year's event will take place on Wednesday, November 22nd from 5-7 PM at the Pilgrim Monument, and the lights will shine every night through January 6, 2018 because of your generous support.

*This year we illuminate the Monument for everyone who needs a little Light and Love. As a Beacon of Tolerance and Hope for over 100 years, we honor those throughout our world who do not enjoy the Acceptance and Peace we are Thankful for.*

A list of sponsors/donors will be on display in the Museum and on our website throughout 2018.

Please complete the back side and return with your much appreciated contribution to this year's lighting.

**We are deeply grateful!**
