

Let it *Shine!*

This year we will light our beloved Monument on November 11 to commemorate the date in 1620 when the Mayflower sailed into Provincetown Harbor and stayed for five and a half weeks. The Monument will remain lit through New Year's weekend.

We hope you'll donate to help us shine brighter than ever before. The Monument is a symbol of Provincetown, and it's a symbol of acceptance, diversity and freedom. In 2020, these symbols are more important than ever so, this year, we illuminate the Monument in honor of these ideals.

Who will you light the Monument for? Each year, many of you dedicate your donation to someone you'd like to honor. We look forward to seeing this year's dedications and donations.

At PMPM, we are committed to showcasing Provincetown as a refuge of free thought and a place of welcome, while also telling a more accurate history. We make strides to this end each and every day. We hope that you'll donate for this year's Annual Lighting Appeal so we can keep marching forward in our Mission.

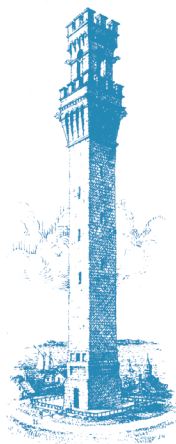

A list of sponsors and donors will be on display in the Museum and on our website throughout 2021.

You can donate online at:
